The Story:

I was in wolverhampton for today i thought i would try my luck on vivastreet the girls in my hotlist on AW are unavailable at the moment.I phoned Yoko i wanted an oriental girl today to entertain me i thought if she aint much to look at i can easily walk and depending on how hot she looked depends on how long i stay with her.I wanted GFE the weather is to hot to fuck the living daylight out of a girl.

I got to her flat knocked on the door Yoko was fucking gorgeous made me sweat looking at her i knew i was in for a treat i handed her the £200 she asked me if i wanted shower and a drink i said yes please.

After my shower i went into the bedroom and we kissed i rubbed my semi hard cock against her pussy and she fondled my balls she told me i have big balls and i told her i know they store lots of cum thats why i have to fuck girls all the time.I asked her if i could put my balls in her mouth she said yes and got on her knees i dropped my sack in her mouth and asked her to close it i joked dont bite the fuckers off it was funny watching her laugh with my balls in her mouth and she wanked me off whilst teabagging me i fucking loved that.

I ate her pussy out made her cum loads of times and fucked her twice in multiple positions mish,t-square,spooned her,doggy also 69 in between fucking her she also gave me a slow edging handjob whilst i was sucking her toes.Yoko made me cum three times in total.I made her laugh i told her i love money and love using it to fuck girls the next time im in wolverhampton i will do return visit to

her.

I had a cold shower got dressed we hugged and kissed i got hard again she asked me to stay i could'nt i had to go somewhere else i promised her i would return soon.

I look forward to seeing sexy Yoko soon i cant speak for the rest of the country but i know in the west midlands oriental girls are really sexy and give great service in future i mainly see oriental girls on vivastreet.
