### The Premises:

Nice flat - bedroom - typical House of Devine set up

### The Lady:

Description on HOD website accurate - she's short - petite, but with curves - perky tits with nice areola and puffy long nipples

### The Story:

Pro:

-nice body, curvy in the right places, yet petite

-nice perky tits, smallish, but still a handful, and nipples are very responsive - if you have a nipple fetish - she'll satisfy - nipples got puffy and long when I sucked on them. She didn't seem to mind me spending time with her tits and nipples.

-I went for the standard kiss, FK, cuddle on bed, doggie, missionary. no issues

Cons

-she looks a bit like a friend of mine, which made it slightly awkward for me, as this friend is like a sister. But that's not her fault!

-there was a brief moment when I was wondering whether the wrong girl had walked in, as the face didn't appear to match the blurred image on HOD's site - but that's probably because so much of her face is blurred on HOD's site! Also, this isn't an issue, as she's cute anyway - just not in the way that I was expecting!
