The Lady:

Ella is approximately 5' 5" and looks exactly like her pictures. She may be plus her age of what is mentioned but who cares as long as she is pleasing, good and looking young. She has a pleasant curvy figure and good boobs to feel. I found her attractive and she wants to talk a lot. While I was less of talk and more of business and this she pointed out in the end. She is forthright in what she likes and is very good at the art of satisfaction. I do not like Tattoos and She has no tattoos. She is natural, firm boobs.

The Story:

I had the orange juice the maid handed over. I went for a wash to be fresh for her. When I returned with only a towel wrapped, I found her spread on the bed with an attractive pose. I handed over the payment. She kissed me and then I dropped the towel while I was french kissing, she was too good at it. While doing so, she removed her lingerie. She then went down and slowly stroked my penis and took into her mouth with great amount of tongue caressing. Wow, her style was amazing in OWO. Thereafter I asked for 69 and we did that and she tasted so nice. After some moments I had to stop her for fear of coming soon and turned her. She understood and left my penis alone while I had my hands on her boobs and played with them. I asked her what she was good at and she replied that what, you did not feel my OWO?! I said lets do that again and she did that and I did enjoy till the last. She cleaned up and kissed me. I asked her for her recommendation in HOD and she suggested for what I needed Gabriel and Apple (smaller boobs). I promised to meet Gabriel the next week. I am waiting to return to London to meet Ella again.
