### The Premises:

Just a walk from the tube station of West Kensington. Basement flat. Neat and clean apt small room ensuite.

### The Lady:

Gabriel is young and good breasts (size: Average) with firm nipples. She is slim with excellent curvy body and sharp attractive eyes . Very friendly in nature.

### The Story:

Had the juice which the maid gave me. went for a wash and came with towel wrapped on me (No fresh towel in the bathroom so had to fetch from the bedroom).

Gabriel was there and I handed over the gift , she saw and got me the change without asking :).

We started with deep kissing and she worked with her fingers on my crotch. Her fingers did a great job while I was using my fingers on her pussy and butt. She then went down and did OWO. her tongue did an amazing job. We then laid down and I asked for 69 which she instantly obliged. She tasted so nice and she liked my compliment. She was working so very well OWO on me that I had to stop her for fear of coming fast. She turned around and I held her boobs and I just could not stop and came . She realised the situation and after I finished she wiped it clean. We lay on bed talking and caressing each other. She did not try to revive me nor did I ask her to. I left before time.

Will come next time but will be careful not to come too early. I did promise her a review : Gabriel, I did it.
