The Premises:

Small walk from Pimlico station across the road in a side lane. Have to press the bell and the maid ensures the door opens. Neat and good room.

The Lady:

She is slim with the right curves. Her boobs are handsfull. All natural. She takes pride in her boobs.

The Story:

I cleaned up and dropped the towel. She made me lay down on the bed and was on top like a dog on her fours with her boobs hanging on my face. I kept sucking her nipples and feeling both the breasts. She seemed to like this and continued this for some time, Oh God 10 minutes. I then asked her for deep kissing which she politely said no. So I asked for oral which she shifted and started after fixing a condom (OW). She did this for some time. Then I asked for 69 which also she said see my profile I have not mentioned that. I said OH ok and asked for a fuck which she tried after fixing some gel on the condom in missionary position. I immediately ask her to jerk off which she did while I felt the boobs. She said you came just in time ! Difficult to return since I am a person loving GFE, kissing and 69 and hardly any thing else to do with her. If you have something else in mind,go ahead enjoy her boobs and have a great time.
