The Story:

Welcomed into her lovely home with a kiss and a smile, and shown to the bathroom to freshen up.

I then joined Tara in her bedroom, where she walked me through the appointment.

With Tara, there is really is no "menu" it is fair to say that she only does what she feels comfortable with, and rightly so.

Tara is quite lovely, so just looking at her smiley face and dimples got me worked up, which we had a giggle about.

I was after a relaxed pampering experience, and what I received exceeded my expectations.

I was greeted with a lovely, warm hug then the massage was frankly amazing. So relaxing.

I felt so comfortable with Tara, she has a lovely demeanour and is really cute, to boot.

I won't go into detail, but I loved every second, and we overran the appointment.

As others have said, Tara is a gem, so please treat her well.

I am already planning my next appointment! :-)
