The Premises:

Very clean apartments, Parking was not great, secure entrance and anonymous, central Woking Location

The Lady:

Absolutely stunning at about 5ft 6, huge natural DD's that were perfectly shaped, perfect ass, tanned body, and great legs and feet, she did match her photo's although looked much better in the flesh

The Story:

Very welcoming, i was quite nervous as was my first punt in a while, she quickly made me at ease, and after the paperwork was sorted she stripped naked revealing her beautiful breasts, trimmed pussy and nice Brazilian arse, on her profile it says she is mixed spanish/brazilian, i didnt care, she was so hot!

I gave her breasts a suck straight away and was already undressed so my cock instantly stood to attention, she went to put a condom on straight away but i said i wanted to taste her beforehand, she obliged and allowed me to lick and suck her pussy and stick my tongue deep in her tight arsehole, she was delicious, she was very clean and i lapped up her pussy and arse for around 10 mins,

after this she put the rubber on my cock and spread her legs telling me to fuck her, i slid my cock in and it felt amazing, she did use lube as i am quite well endowed, and after a few pushes she winced a bit, i did ask her if it was ok and she said yes, i really wanted to fuck her very hard but also didn't want to hurt her so i just kept it at a steady rhythm, i put her in doggy position and this felt amazing, again i tried to fuck her a bit harder but i could tell it may of hurt, so i pulled out where she wanked me off and i came all over her big round tits....i also asked her to speak dirty in Spanish which she did, and it was an amazing experience!

Don't try and finger her either, she doesn't like it (as most don't)

Don't miss a session with Bruna, i know she travels about, but if she is in your area then give her a visit!!
