The Premises:

Well know, fans in operation to counter the hot weather, showers available, fresh towels, all neat and tidy, like the receptionist.

The Lady:

Newly tanned so a shade darker than her natural skin tone and a beautifully proportioned body in a 5-ft package. Victoria is also friendly, intelligent and sexy.

The Story:

I know Victoria well but she had been off for a couple of weeks or so yet we knew we were still in tune with each other when she walked through reception and we automatically gave each other the same air kiss and hand gesture.

We mix talking with sex in any proportions that suit us and while I feel I am pretty well given the freedom of her body, either everything has been agreed as welcome in past meets or is vetted with my raised eyebrow and her naughty smile so the atmosphere is always positive.

Chat, kiss, chat and fondle, kiss, explore, get fondled, have sex, get complimented, return the compliment, chat some more, kiss some more.

I love it all and I love it with this fascinating lady.
