The Premises:

The parlour is located very close to Sydenham station and was clean, tidy and well presented. I was welcomed with the offer of a cold drink.

The Lady:

A very attractive and curvy brunette of medium height and build. Her Italian origin is reflected in her gorgeous figure, full breasts and luscious buttocks.

The Story:

Vicky's style is certainly to treat her guests as individuals and to respond to their specific tastes. We undressed quickly and enjoyed an initial session of kissing and cuddling then set about attending to each other's more specific needs. My needs were met and I had an extremely enjoyable half hour that will be repeated.
