The Story:

Well what can I say.... very fit & attractive, mid twenties. If you saw her out & about you'd definitely give her a second glance. Quick shower to freshen up & paperwork sorted.

Elizabeth sat on the bed in a provocative pose, few kisses & began to explore her body, nice fresh clean pussy. She proceeded to release my cock from my pants & took it in her mouth eagerly at this point I just wanted to check if cim was on the menu, given the green light.

Oral went on for a few minutes with me pulling in & out & kissing her a few times, I didn't want to spill too early. Unfortunately she doesn't swallow & I have a fantasy about a wg sticking her tongue out & showing me my load, not a problem as it's not every day you have a gorgeous girl sucking your cock.

I suggested we move over to the mirror, well the sight of Elizabeth bobbing her head up & down on my cock was too much & I shot my load into her willing mouth, she didn't spill a drop.

Quick clean up & onto round 2, gentle massage whilst reaching round & playing with my cock & balls. I turned over & she proceeded to go down on me, the way Shevardnadze looks up at you when she's got your cock in her mouth is something else, the best blowjob I've ever had.

Now time for the main event, I suggested reverse cowgirl & the sight of my cock party her lips was getting me harder & harder into mosh where we banged away getting a little hot & sweaty before I couldn't hold back any longer.

A very pleasant experience, although I would say you have to suggest things to her to get the best

experience. I think with more visits you will get the best out of this little hottie.
