The Premises:

A squalid upstairs bedroom in a terraced house. The bed consisted of a mattress on the floor. It is about a 10 minute walk from Plumstead station.

The Lady:

A very petite young Romanian girl with perky B cup breasts and a peachy little bum. She looked very sexy wearing matching black bra and pants.

The Story:

I enjoyed the punt. Alessia was very friendly and she looked really small and sexy. She began the session with covered oral. She was actually very good. We then had sex in doggy position. Although I could very easily have come I opted for a slow handjob finish so I could once again fondle Alessia's pert breasts.
