The Lady:

Alice is a stunning 20 year old London escort from Eastern Europe. She is 5ft6 and with a petite but curvy body and amazing 32B boobs that look youthful and perky.

The Story:

We started with OWO and then she jumped onto my hard cock without hesitation and rode me like at a rodeo. She loved it fast and hard and was very vocal which is a turn on for me. Having sex with Alice was like a workout since she was rather demanding. We did 69, doggy, missionary and rode me on the bed and my desk chair which was cool. I then cummed all over her tits. The sex was good and overall she is fit for purpose and a good shag but i felt like the atmosphere and connection between us could of been better. Compared to previous experiences i would give this a 5/10.
