### The Lady:

I was uncertain at first if Eliza was the same girl in the pictures. If I'm honest I still unsure Eliza hair was shorter and breast (really nice) but saggy not as per picture?

### The Story:

Maybe I should stop visiting on a Friday, two visits so far at the end of the week and both were disappointing. Either you boys wear the girls out in the week or max them out specifically on a Friday?

It was a lovely warm day, I was suited booted and looking good with fresh breath and aftershave hoping Eliza would appreciate the effort I'd made. The meet and greet was OK, Eliza is smiley and polite but

her English was not good. I struggled to understand most of what she said and she struggled with understanding my needs, desires and instruction. Note; I am a very placid gentle punter not demanding and very appreciative.

There was no oral without as billed just with, which was in truth not that good. Hand job was Okay but not very enthusiastic, indeed unenthusiastic sums up my experience. I chose Eliza for anal as advertised but she said I was too big and declined! After average foreplay I decided a missionary session on the bed might warm Eliza's up? I have to compliment Eliza's pussy it was all consuming just as I like and needed.

My reasoning for using Annabellas is my partner, won't can't take all of me. She struggles with my size but in truth I don't consider myself big, but maybe girthy. So being able to put all of my manhood into a womans pussy up to the gunnels is such a treat and why I punt.

My best bit of the thirty minute session was a ten minute doggy spell. Eliza stood at the end of the bed with the mirror on our left for me to see her lovely saggy tits wobble, twirl, swirl, and swivel as I

fu\*ked, and I do mean fu\*ked Eliza hard. May I add Eliza seemed to enjoy this as she moved her body and ass to accommodate me and to maximize her own orgasum.

That was the highlight, she'd had enough of doggy after ten mins and all she could manage then was to jack me off, then let me jack myself off as I watched her relaxed on the bed.

I hope this was Eliza and I'm not giving an account of a stand in or mistaken identity. Overall I won't ask for Eliza again, but will continue to use the fantastic services of Annabellas.
