The Lady:

The pictures are a good likeness of Olivia. But Olivia was a little more "bonny & buxom" in the flesh these days than I expected.

The Story:

Everyone other review has complimented Olivia on her personality, intelligence and kind hearted outlook to her role and clients. All true and I would add she loves to meet her clients needs and ensure they leave a hundred percent satisfied.

Olivia was very complimentary about me how I looked, smelt and size of my penis which was a buzz. Olivia on meeting in truth was not my ideal punt. Technically everything was offered and given as advertised and she is so articulate, educated and intelligent she put me to shame.

My experience with Olivia was nice, but not quite what I was looking for. This was not Olivia's problem or fault and it was lovely meeting her. If Olivia is your body shape, size and type she will meet your desire and not disappoint.
