The Lady:

Emilina is a very beautiful young blonde with very attractive curves, great aspect she looks young and has a beautiful face too her pictures match her in person quite well, it does contain a bit of photoshop but nothing that is too much.

The Story:

Emilina gave me a very good time, she came over to a hotel close to green park to meet me she was dressed really well, it was a cold day so she had tight jeans, with a tight top on, it made her curves look absolutely incredible gave her tits a great big aspect and her ass too, we jumped straight into action seem how little time we had together around an hour as soon as she got naked I was quite amazed at how good she looked at first I was happy with her face matching her photos and all but looking at her naked just took the whole thing to a whole new level, she left me really horny by just looking at her, so we jumped into action and it was amazing her oral was great and the way she pleased was great too her moaning just made me even hornier it was almost like she was enjoying it even more than me overall I liked very much the whole time with her and althought it was only one hour it was very well spent, and I would reccomned her for sure for anyone looking for a good time.
