The Story:

Well I went for a shower while I waited for her to finish getting ready and as I came out of the bathroom she was there waiting for me and to be honest with u she did catch me off guard as I didn't expect her to be there, as we got into the room she made a joke that I was serious and that soon became clear I was not haha. We started with some on and off DFK and kissing while having bit of a chat, while I let her know that I saw her profile saying she was submissive, well that's when the fun started. I didn't realise how good this visit was going to be otherwise I would've came a LONG time ago and not waited the nearly 2 years I've been seeing some of these girls and I shall certainly be back soon, I'm not going to tell u everything we done as I'd be here all night and that would ruin the curiosity that awaits u guys who haven't yet seen her, GO AND SEE HER SHE'S A TREAT and her favourite position, hmm let's say it's now also my favourite, it was soo good. All in all I shall definitely be back soon, I enjoyed myself a bit too much and I'm pretty sure she did too, I had a moaning and moving a lot whilst I concentrated on her alone. Thanks Michelle ill be seeing u soon ;)
