The Premises:

A shabby flat located about a 15 minute walk from London Bridge Station. One side of the road bordered a park to make it slightly more discreet.

The Lady:

A mixed race East European girl about a dress size 10 with slightly saggy B cup breasts and a plumpish bottom.

The Story:

This was a plan C punt. Friday seems to be a busy day for punting. On entering the flat I was greeted by three girls. I chose Vanessa because it had been some time since I punted with a girl of colour. The session started with uncovered oral. This was actually really good because it was slow and without much hand action. We then had covered sex with her on top. I gave that plump arse a good old squeeze. We then switched to doggy and I pumped away to an explosive finish.
