### The Premises:

Decent flat, nice bedroom, everything was clean.

### The Lady:

Besides the typical differences due to photoshop she looked like the girl in the pictures. Petite, busty, 5'3 / 160cm, 34B.

### The Story:

Very poor service. No kissing, no smile, nothing. She already had an attitude when opening the door. To bad I didn't left at that moment. What followed was near work refusal. She was constantly on her phone texting and didn't seem like she likes doing Escort at all. I booked a full hour and it didn't even last 10 minutes, what a waste of money. After one single BJ with condom, she said we are finished despite having 50 minutes left. I still can't believe this happened. Never had an experience like this before. I feel sorry for everyone who will visit her in future. Stay away and don't waste 150 Pounds for that. Do not recommend her at all. Unfortunately I can't leave a review on the agency's homepage, whatever reasons that might have.
