The Premises:

Clean and comfortable. They should invest in air conditioning, that would be a huge selling point in this weather.

The Lady:

Cute, busty, curvy, soft, strokable, warm, friendly, sensual. Lots of ink and pierced nips. Eyes you could gaze into for hours.

The Story:

This was my second visit to Taylor. I forgot to write a review previously but making up for that now. Probably just as well, as this second visit was even better than the first.

Taylor is sweet and chatty and puts one at ease right away. She kisses divinely and knows how to push my buttons.. sucking and gently biting my nipples, nuzzling my ear, and just in general delivering a total GFE.

I often can't get enough sensation with a condom on, but today the planets all aligned; maybe it was a different kind of condom, maybe it was the Lucozade I drank on my way there, but Taylor got on top and rode me to the most intense climax I have had in a very long time. She maintained eye contact (with a friendly smile) the whole time, which definitely helped.

Definitely one to repeat.
