### The Premises:

Well known place adjacent to free car park. The room allocated was a little small but it did have its en-suite shower.

### The Lady:

Very pretty, with Well proportioned body, lovely face, no significant tatoos, good sized natural breasts. Excellent English and good conversationalist

### The Story:

Came out of shower as Sophia entered the room and started to strip off showing her great dully shaved figure. Started with a firm massage whilst lying face down. After a bit hands and fingers started straying to sensual areas and she seemed to enjoy my hands massaging her legs and bum. She then allowed me to massage her and this built up in to a frothy and sensuous level. All the time our conversation was fluent and interesting before she asked to resume massaging me. Finally I turned over and she built up to a powerful and erotic ending. She certainly is a terrific girl. (Hope the weekend was a success Sophia!)
