The Premises:

Place was nice and easy to find. Very clean and spacious inside. Not sure about parking etc. because I wasn't driving, but it's not far from tube station.

The Lady:

Monique looks just like her pictures, no doubt about it. A pleasant change from some girls I see in London on agency websites. She's very tall, I'd say around 5'8-9" really. A stunning to look at. Her level of English is pretty good too. She's very chilled and comfortable too which was very nice. Enhanced boobs however, so if that's not your thing she's not for you; although they are very nice!

The Story:

The only thing that let this date down a little was that she was late... To her own place, which was a little odd. Receptionist at Babylon was very good as always however, and she let me know in advance. I was a little irritated because it meant I had to walk around rather aimlessly for a while, but at least I found out before I got there. When I arrived Monique was very welcoming and dressed in a black negligee and tiny panties. Very sexy indeed. She has a slight Asian look about her and I love Russian girls that have this look. She took a shower herself when I'd finished, so I figure that she hadn't had time to get herself fully prepared, but it was good that she saw me anyway at short notice; I'd been wanting to see her since she appeared on the site.

Her OWO skills are pretty good, and she goes pretty deep (I love this!) Nice eye contact and it seemed as though she really enjoyed doing it. When I went down on her, she loved this a lot! Sex was nice and sensual and slow. She's a passionate woman and makes some lovely noises during the action. A real turn on. It's awful when the girls feel too mechanical, and this certainly isn't the case with Monique. Loved doing it in doggy with her, but even more than that I loved that she let me pull out and cum all over her body. She didn't seem phased by anything and had a great time.

Although her English is a little off, she did enjoy a nice chat at the end of the session. She's a very beautiful young woman, and if it wasn't for her welcoming nature I think she could easily be quite intimidating to some guys.
