The Story:

Phoned for an outcall to my hotel last week. What a lovely girl from the first phone call to the goodbye. Appointment handled well and when she arrived...well...she was seriously sexy !! a quick change and she re appeared in nurse outfit as I asked her by the phone but didn't last long on her!!

A real friendly girl and really gets in to it. Type of girl that would tempt me for an overnight. Good fun and really good at what she does!! Left me completely drained and wanted more!! She was that good that I booked her again 2 days later but this time at her lovely flat in Fulham.
