The Premises:

Usual clean apartment. Good shower facilities, safe location. Relatively discrete.

The Lady:

She is still really beautiful. Just my type, petite, amazing tight body, and I love her cheeky, wicked personality. If you treat her with respect and kindness, she will reciprocate in kind.

The Story:

I was a little late due to traffic and a stop at the cash point. Quick shower and Dita arrives. We both get naked very quickly due to the lateness of my arrival.

She does have the softest skin, and I love her cheekiness. She has a strong will for sure, and you need to be able to have fun with that. Her oral skills are also amazing! But it is when she gets going in cowgirl is where it really gets fun. She is tight and moves really well. Moved to doggie after and went at it like rabbits for quite some time. Then finished with more oral and hand job. It got messy, good messy lol!

Dita is a lovely girl, her personality is fun, but I get if some do not click with her. I do, so that's what matters from my perspective, and I look forward to seeing her again. Heck, she is probably actual girlfriend material if you ask me, fun, sexy, intelligent and the right amount of naughty. If I wasn't so emotionally detached due to previous relationships, I'd date this one for sure!

Just wish she would come down to London, would make seeing her much easier!
