### The Premises:

As reported before .

### The Lady:

Pixie is well named. A beautiful Elven face with eyes you could swim in .i thought all my christmasses had come at once. She is willowy with a lovely curvy figure . A few tattoos that are tasteful and add to her beauty. Small and nicely formed boobs and a nice curvy bum .

Giggly and girly but with an intelligence that is sexy .

I am running out of superlatives for this young lady .

### The Story:

As ever a wonderful experience . With a light touch and a knowing way it was an experience up there with the best . As always with Hush less is more . No pressure, just a sinking into sensations . If you have been to hush and not seen Pixie you must as your missing out so much .
