The Premises:

A well known block of flats at the top of Walsall town next to the ASDA cark on busy road
The bedroom was really bad looked like the the bed sheets had not been washed for a week
No pillow on the bed either
The carpet was in bad need of hoovering
Infact the whole flat could have done with decorating

The Lady:

Exactly the same has pics on the profile
She told me she was half bulgarian/half romanian (probably full romanian)
She does look sexy
But she has no personality,no sense of humour nothing,difficult to get a word out of her

The Story:

Whe discussed services over the phone she agreed when i arrived at her flat i handed her £100 for an hour no massage,kissing not even a covered blowjob just handjob and sex she wanked me off put the jonny on after 2 mins of sex she asked me if i was ready to cum i said hang on i have only just put it in your pussy she wanted to turn over doggy style i fucked her for about 10 mins in totally i demanded £60 back i am not staying here just for this she reluctantly gave me my £60 back we never spoke a word to each other when i left.

I only phoned this number because i felt horny in the gym working out and watching hot sweaty girls working out has well when i left the gym i was well rock hard.

I dont recommend this girl and i dont recommend working out in the gym in the summertime whilst you are in the same room has hot sweaty ladies are working out either !
