The Lady:

Louise is a very petite and slight lady with lovely tiny titties just as depicted in her pictures. She is quite pale in complexion which she emphasizes in her make up making her look naturally gothic. Really quite sexily done.

The Story:

Louise welcomed me in and I had a quick shower. She wanted to chat for a bit, but sadly we didn't really click socially. I did find the sex a bit of a tick list affair, but what she did she did well including some expert oral and she has a nice lickable pussy. One new thing on me was what she called 'toy sex' in which she used a vibro on my balls while I fucked her from behind, which was very enjoyable. We finished off with a groove job and I managed a really good cum shooting all the way up to her neck, which is pretty impressive these days.
