### The Premises:

Normal block of flat. Nice and clean and room was tidy.  
Ample of paid parking not far from the flat.

### The Lady:

Gorgeous and beautiful. Lovely smooth skin and what a pair of boobs and arse.  
She has a pleasant personality and friendly.

### The Story:

As soon as she walked in the room she made me feel at ease. I had to compliment her on how gorgeous she was.  
Started with lovely DFK which I could go on for the rest of my time. She has the most lovely lips.

Had OWO and covered sex which was heaven. She is tight and I wish I could last in there for long.  
Quick clean up and had a great conversation of life in UK, her native country and yeah parking in London. . Speaks good English and willing to please.

Valentina is the girl you would want to take her out. She has all the plus points.  
Highly recommend her. I can't wait to book her again but for a more longer time.

Thanks babes for such a wonderful time.
