The Premises:

I wanted to leave a review but were flying off on holiday that day and am doing it now as just got back. The location was safe, clean and parking was easy. The girls were friendly and put me at ease when I arrived, showed me to top floor room with shower facilities awaiting for Aisha.

The Lady:

Aisha is a very friendly fit sexy women around early 30`s matched her twitter photos dressed in suspenders and high heels. Blond small but a real bomb shell.

The Story:

Well Aisha is a pocket rocket, passionate French kissing and knows how to please her man as she enjoys sex so much. She loves to do OWO and if you know how to press the right buttons she cums so well. Aisha will ensure that the whole hour is taken by her attentions on you and she does not stop, great conversation expressing what is working with her and you xxx. Born to please and will always ask for her when I return.
