### The Premises:

### The Lady:

Very attractive, looks just like pics

### The Story:

Train wreck. She showed up moody and grumpy, asked for 500 instead of her rate with agency. When it was so bad I wanted to stop after 45 min she insisted I had to cover 2 hours. So she over charged, under delivered and I got a some total of nothing

I know this review is the opposite of the other one she has so maybe just a bad night but seriously was a terrible experience

The agency is amazing though and even in this instance they were great so can't recomend topsecret enough
