The Lady:

Saluki is a very beautiful girl

She told me she is from japan i took her word for it she seemed honest and genuine to me

She looked in her early 20s to me

Saluki is a slim petite girl

Her is english reasonable i did not have to use google translate

The Story:

I phoned Saluki and made request and asked her if she would be ok for midnight booking and asked her about her services she told me she is happy to meet my requirements i arrived at her flat she opened the door Saluki was wearing a sexy flower pattern dress she is a real stunner and she made me feel very welcome i knew i was not going to have any problems with her.

When i made the booking i requested a 2hr incall she is so damn sexy i asked her if she would be happy to do an hour extension i wanted to fuck her really hard and give her a really good seeing to.

I gave her the cash we started off kissing i asked her to open my fly hole and tease my cock while we are kissing i could not take this for very long we undressed i asked her to go on the bed i licked her asshole out for a few minutes i told her to go on her back i started licking her pussy out slowly she loved it and she got wet right away everytime she was about to cum i either slowed down or stopped i made her beg me to let her cum i think i ate her pussy out for about 40,50 minutes.

After i teased her pussy she put the jonny on my throbbing cock she let me fuck her mouth i had to stop after about 10 minutes or i would have cum and i wanted to fuck her pussy. She lay on her back i opened her legs and slid my dick in her really tight pussy and started fucking her slowly i lifted her legs in the air and i sucked her toes while i fucked her i kept asking to change positions so i could

fuck her for a long time and not cum to quickly when i was banging her in doggy i kept stopping taking my dick out her pussy i licked her asshole and then carried on fucking her when i eventually cum i deposited a huge amount of cum in her pussy it felt good i was well satisfied.

I took a cool shower went back to her bedroom and we chatted for a short while i asked her to put another jonny on my cock i fucked her mouth again and we started fucking in different positions i fucked her four times she is that sexy i just wanted to keep banging her in the end i had nothing left i was completely worn out. The time run over by about half hour Saluki is not a clock watcher.

She told me i am an handsome guy, very strong and fit and i know how to please a girl i was flattered by this we kissed and hugged before i left i promised her i would see her again.

I had a really mind-blowing fuck session with sexy Saluki i highly recommend her.

Vivastreet is not that good but the only website i can find sexy oriental girls in the west mids.
