The Story:

Well I only visited this lady based on her only review an pictures . Expected sassy sexy leggy brunette and got a cheap hooker !!! That looked nothing like the lady described. No owo no f kissing no eye contact just wham bang and moaned all the time that my cock was too big. This is the second shit experience here and the parlour needs to sort it out. Finished with Eliza moaning that she had made no money yet on the day , ffs I don't care u provide a service so just do what u are paid for
