The Lady:

Gorgeous young lady with slim body, perky boobs and nice face. Lips too inflated though.

The Story:

Yes Clara is a good looking girl, very petite and pretty, but I would say her pictures look better than her in the flesh. She's still attractive but I found something quite fake about her appearance. I just don't know what it is with young ladies these days and finding the need to overinflate their lips, to the point where it looks unnatural.

Anyway, cosmetic surgery aside, I did enjoy my hour with Clara although a bit rushed. She dressed to impress, smelt nice and made me feel at ease. She wore very sexy matching laced underwear, which I enjoyed her slowly peeling off for me within minutes of arriving at my place! Clara gives great massages, really relaxed me and then proceeded to give me a fantastic blow job even though it was with a condom unfortunately. I can't cum unless it's OWO so had to have her reverse cowgirl on top of me while pulling her hair for a good time before I finished. It's a shame she didn't do OWO as that's my usual thing. Still a good time would probably recommend.
