### The Premises:

### The Lady:

Absolutely stunning blonde Russian angel. One of the most attractive ladies on here! Striking blue eyes, slim, tall, big boobs

### The Story:

I booked lia for a two hour GFE and met her at one of my favourite local restaurants. She greeted me outside, dressed to the absolute nines. I honestly could not believe how attractive this girl was. Your typical Russian blonde bombshell. I couldn't wait to strut into the restaurant with this beautiful woman on my arm - heads did turn! We sat down and ordered a bottle of champagne, I recommended some of my favourite dishes for her. I think lia was impressed by my knowledge as she happily took my advice. The conversation flowed throughout, her English is really good and there were no awkward moments. Our meal finished within about an hour and 15 mins so I asked her back to mine for the last bit of time, since I only live around the corner. We had a glass of wine as mine and chatted before I suggested moving to the bedroom. My god, her body when naked is just unreal! I kissed her all over while she tossed me off, before giving me a fantastic owo which was so good I couldn't help but CIM. She swallowed it without batting an eyelid, was really sexy. I wish I'd had more time with her to finish what we started but I know I'll be seeing lia again very soon!
