The Premises:

A very clean, modern flat in a private block about a 5 minute walk from Dartford railway station.

The Lady:

Sadly nothing like the girl profiled. The person I saw was a thin Chinese lady in at least her 40s with A cup breasts. Because of this I would normally give a No recommendation and only gave neutral because of the modern location and because she allowed a facial finish.

The Story:

First of all I had a lot of bother to get in the flat. I was kept waiting for about 20 minutes before being given the address and despite following the texted instructions perfectly I was kept waiting for another 10 minutes before finally entering the flat. I wasn't convinced I'd see the girl photographed, but I didn't quite expect such a big age difference. I went ahead because the flat was really cool and clean and I needed a release. I didn't even receive a massage and oral without was an extra £20. I asked whether for the £20 extra I could end the session with a facial and this was agreed if Mizi covered her eyes. Session wise, I licked and sucked Mizi's nipples before we had protected sex in missionary and doggy positions. Being quite thin she was very tight so it didn't take long for me to get close to coming so I withdrew, took off the condom while Mizi covered her eyes with a tissue. I delivered a good load over her mouth, nose and cheeks.
