The Story:

Amy was the kinda girl i fancy so much, slim but with a lovely curvy arse and just loads of sex appeal. Was more than pleased when she showed up cos not only was she sexy but she was outright really chatty and friendly too, so made the greeting process fairly chilled. She even stepped in and gave me a nice FK which a lot of girls don't do straight away. We exchanged pleasantries then she offered me a naked massage, oil and all. She was really good at that, proper relaxed me and had me hard in no time. She gave me a nice slow blow job, getting proper deep and giving good eye contact while i held her hair back. I came in her mouth (she swallows), then we relaxed for a bit while i gained composure. Ready for round two, she gave me a sexy little lapdance before hopping right on my dick while i held her tiny waist. We switched positions a few times, ending with me fucking her with her legs on my shoulders. She seemed to be loving it all, proper enthusiastically moaning and telling me how good my dick felt. All in all a good experience ;)
