The Premises:

Samantha lives in a very smart discreet area. Sufficiently quiet, but not so as to attract attention. The area is totally safe.

The Lady:

As described in other reports, Samantha is a busty curvy sexy lady, a gorgeous cuddly body with a wicked grin and sexy fire in her eyes. The pictures posted on her website defiantly do not do her justice!

The Story:

I'm not going into all the juicy details for others to get off on for free. If you want to experience a wonderful sexual experience, give up the ciggies, booze and everything else, and save all your money for Samantha, an experience not too be missed. Please be on your best behaviour and you will be treated like a king, anything less and you will face humiliating rejection, and rightly so. I shall certainly be a regular visitor.
