The Premises:

The Lady:

Jessica is in her late twenties, and has an Italian-Polish background; she is good looking with her looks occupying that intriguing intersection of Slavic and Mediterranean, with long fair hair, strong cheekbones, and mischievous eyes. Rebecca is in her mid-twenties, and has a South American background, although she has lived most of her life in the U.K. She is attractive, with long golden-brown hair, large eyes and full lips, and honey-coloured skin. Both are average height, Rebecca a little taller than Jessica, and both curvaceous and full-breasted.

The Story:

I had previously seen Jessica in a duo, and while she had been fun and enthusiastic my time management had been poor that day and I hadn't quite taken everything from the meeting that it might have offered. Rebecca I was meeting for the first time. Pat, the agency owner, had told me that Jessica and Rebecca had become good friends since joining his agency and very much enjoyed working together. So here they were, ready to play their part in my usual naughty schoolgirl roleplay. We chatted for a while - you'll never be at a loss for conversation with Jessica in the room - while having a few drinks, before I suggested the girls might like to change into their schoolgirl outfits.

The girls were more than happy to receive a little spanking, and Jessica seemed to particularly enjoy spanking Rebecca. They are both good kissers, and when they were double-teaming me for some OWO it was a pleasure to watch them pause to DFK each other. As I sat in a chair while they swapped 'the lollipop', as Jessica called it, between them, I undid a few buttons and released Rebecca's magnificent, and Jessica's only marginally less magnificent, breasts. Jessica seemed very enamoured of Rebecca's breasts, complimenting them and fondling and kissing them at every opportunity. As usual, my carefully planned meeting went off the rails once things got particularly hot, and things developed their own momentum. The climax arrived as Jessica sat on the back of the sofa with her legs spread open to receive attention, while Rebecca wanked me off, taking my load in the cavern between her breasts.

I relaxed and tried to regain my breath as the girls showered and dressed. We had gone a little over

time, but the girls were in no hurry to leave and wanted to make sure I had enjoyed the meeting. There were lots of kisses and hugs as they left. A great experience, and one hopefully to be repeated on my next visit to London.
