### The Premises:

### The Lady:

Beautiful little 18 year old angel. Very small and petite.

### The Story:

I booked anya for an hour and a half and albeit rather rushed, did enjoy my time with her. She is good at what she does, particularly her OWO and reverse cowgirl techniques. She also let me COB at no extra cost which was nice as her boobs are really nice and perky.

However, I did feel like the 1.5 hours we booked was more like an hour and ten minutes, but it is what it is.

If you are into petite young women, do book anya. She looks very young and small, I can imagine her looking very sexy in a schoolgirl outfit! Shame I didn't ask her to dress in one of those.

Anyway, as I said, the techniques were good and I enjoyed myself, but would have been better if I didn't feel so hurried.
