The Premises:

The Hub in MK flat which is my preferred place.

The Lady:

Picture on site are very good but Ella is so much better in person.

The Story:

A nice meet and greet by Krystal, who got me water and undressed to reveal and let me fondle all her glory.

This was until she realised I was not her punter. I was a little early, but knew Ella was not booked for another hour, so I questioned why Krystal was with me. After a laugh and a joke with Krystal about the mix up Ella came on the scene to take over.

How have I missed this vivacious, high-spirited, cheeky, very experienced Lady. Ella's worked there for over nine years, but the first time she'd registered on my radar. Ella put me at an instant ease. She's keen to kiss, fondle and tease. I sat on the end of the bed and Ella knelt at my feet and gave me one, if not, the best blow jobs I've ever had. So much so within five minutes I just came in her mouth I could not stop myself I knew the consequences, but what she was doing was so good I could not stop and she took my whole load, whilst looking me in the eye.

I know it's a cliché but that BJ just took me to another place I was so relaxed and so ready to cum whilst looking down on a beautiful woman, whose whole aim was to please me. Ella went out the room to "freshen up" and returned. I had a semi but within minutes of Ella handling me I was hard again. Ella put her glasses on and I have to say the new appearance suited her, she looked very classy almost secretarial.

Ella has a great figure, good size natural breasts which are firm and pert. Right you "fucker" she said your going to do some work. On went the condom (clever mouth trick) as she squatted on the bed waiting for doggy.

I slipped inside and slowly but surely went to work on that body with her ass riding my cock as I

upped the pace.

Ella rode my dick so hard her efforts encouraged me to fuck her harder and harder, I've never experienced a woman so rampant and loud. Ella was initially moaning but she asked me to fuck her harder and the more I did the louder she moaned and shouted and came at least twice. Again a proper first for me, I genuinely think Ella enjoyed our encounter.

Ella was kind of disappointed that I did not cum when "banging her" I explained I could recover and stay hard once I'd come, but to come twice in 30 mins was not possible for me.

I have to say the time with Ella was the best punt I've ever had. I think it's because we seemed to get on and like each other. Ella is easy to talk too and has time for you, never felt rushed or embarrassed.

I was in two mind to write a positive review because I'd like to keep the Ella secret to myself. But that's not fair to Ella, who is fantastic company, remarkable person and an outstanding performer.

Ella hope you read your reviews and remember me, next time, because there will be a next time.
