The Premises:

Brand new premises in Bletchley. Fairly discrete entrance and good parking. As always, clean and smart with the standard mirror in the room. Good bed with no squeaks.

The Lady:

Joanna is fantastic! A fantasy girl who is extremely petite and under 5 foot and probably under 100lbs. Lovely face and straight, dark hair. Wore a gorgeous, revealing outfit with killer heels. She is extremely attractive and attentive. She is not 20 as the website says and is in her late 20s. I wish Annabellas would be more accurate with ages. I was there for a petite girl but if I was there for the thrill of a younger lady, I would have been disappointed. Honesty is best.

The Story:

I find the best way to pick your escort for your visit is to check twitter and hope that the girls on your shortlist have had a picture uploaded that day. I find them a much better guide than the airbrushed professional photos on the website and I like to see what they will be wearing. Joanna was wearing a see through black dress and black underwear with red heels. She has been on my shortlist for a while but today's outfit confirmed it for me. Bit of feedback for Annabellas and the girls there. Keep the pictures coming!

On arrival I was invited in by a very sexy young lady who I guess was Morgan. She showed me to the room and offered me a drink before letting me know that Joanna would soon be along. Joanna showed up very soon after with my water and looking amazing in the sexy outfit I saw on twitter! She was very welcoming and happy and I was very excited for a good time but after a long, hot day I felt a shower was in order. Joanna showed me to the bathroom and gave me a wonderful and unexpected surprise.

She threw her arms around me and came in for some exceptionally enthusiastic DFK. We continued this in the hallway for a good few minutes then she told me to hurry up in the shower. As if I needed any more motivation to get a move on! I told her to keep her clothes on and I'd be dealing with them when I was ready!

Once I'd freshened up I went back to the bedroom where Joanna was waiting on the bed. Either she's a very good actress or she was genuinely excited for the session ahead. I was more than a little excited. She looked exquisite and I couldn't wait to get stuck in. I pulled her up off the bed for some standing DFK and liked the fact that she was so much smaller than me. The dress soon came off and Joanna asked if she should remove her shoes. I said yes and she warned me that she was a bit without her heels.

OMFG! Once Joanna removed her heels she almost disappeared. She is under 5 foot tall which is a huge turn on for me! In fact, this has been a fantasy of mine for some time now if only I'd known her size sooner I would have seen her much sooner! If you are into tiny girls, like I am, you will love Joanna! I told her how aroused she had made me and this seemed to encourage her all the more.

I threw her onto the bed and we carried on with some of the deepest kissing I have ever experienced. This was initiated by her too. I removed her bra to reveal her splend small tits. A bit more kissing and she worked her way down my body to my cock and set about licking my balls and sucking me off. She is very good at this and made great eye contact throughout.

After a good few minutes of brilliantly varied OWO I grabbed her and threw her down and removed her panties. Joanna opened up her legs and I stuck my head in between them. I like to think I have a decent technique but, unless she was continuing with a great act again, Joanna went wild for it. She was thrusting her junk forward and off the bed and wrapped her legs around my head to lock me in place. I continued to speed up until she was thrashing all over the place and finally sat bolt upright gasping for breath. Either I'm even better at this than I thought or she puts on a great act. Either way it was fucking brilliant.

Joanna covered me up and we worked our way through a variety of positions. Missionary, cowgirl, reverse cowgirl (which ended up with her laid back on me while I rogered her good and hard) and then finally doggy. Because she is so tiny and light I was able to put her wherever I wanted with ease and she was willing to let me throw her around. We went at it vigorously for a good while until we were both dripping with sweat in such a hot room. I absolutely loved going full tilt and when Joanna seemed like she could barely handle any more, I went even faster and deeper to try and push her over the edge. My efforts were well rewarded.

I pulled at her hair and finished by cumming inside of her from behind. My final stroke went so deep I could swear I reached her ribs! We both collapsed forward and her pussy made some brilliant noises. We laid like this for a while with me still inside her. I like doing that.

It felt like forever for us to recover our breath and I was aware that I'd had my 30 minutes although Joanna was in no hurry to get rid of me. She helped me clean up and I started to get dressed while Joanna lay naked on the bed stroking her incredible body. We chatted about her story that led to her being in MK and she is very warm, honest and engaging. I felt I really clicked with Joanna and reckon we'd get on great in any environment. Again, that might just be her being an absolute professional but, either way, I had the most amazing fantasy experience.

Joanna really is as good as gets in this game. It felt as if we were totally compatible and Joanna certainly gave me the impression that it was more pleasure than business. She really does put in a shift and responds brilliantly to instruction. Bring English really does help with the communication too. So much so that this really was the ultimate GFE. If your girlfriend/wife was as sexy, petite and vigorous as Joanna. Which she's not.

Thank you Joanna for a truly unforgettable time. Above and beyond what is expected. Good luck for the future although I do hope you stay around for a while longer. The offer still stands if you want me to take you home in my cars glove box!
