The Premises:

I saw Eva at Club Classique's VIP apartment which is a quiet, clean and discreet location as described in previous reviews.

Club Classique is an extremely professional, well-run parlour, and is clearly very respectful to punters and the ladies who work there.

The Lady:

Eva is a very pretty black girl in her twenties. She is slim, petite and busty with a very firm toned body. She has a sunny personality and amazing dark eyes that you just want to dive into.

The Story:

This was my third visit to Eva. The first time had been so good that I had to return as soon as possible. The second time she upped her game and was even better, so my expectations were high for this third visit. I was not to be disappointed. She was very welcoming and seemed very happy to see me again.

Just as for my first two visits, I had booked for an hour. I can not imagine doing everything that I want to with this beauty in anything less than 60 minutes. She was very attentive and affectionate from the first minute to the last. She had no desire to kill any time with small talk, unless I wanted it. After some lovely sexy opening embraces, I asked for a nice oily massage, something which she is really good at - it was a proper massage, not just a token rub-down.

Without giving away any intimate details, we filled the rest of the hour with a great role-play, various positions and a lot of filthy enjoyment (for both of us, I believe). Eva's energy levels were very high and she gave me everything I wanted, but also suggested, and gave, even more.

There was no obvious clock-watching, and even after the big finish, she was very relaxed and happy to chat.

It is obvious from my previous reviews that I have really enjoyed several ladies at Club Classique over the last few years, but I have to say that Eva is absolutely the best so far. Absolutely. End of. I will return to see her again as soon as possible - if she ups her game any more I may just self-combust. I cannot recommend her highly enough.

Thank you Eva x
