The Premises:

Jennifer's place is in the perfect location in Bayswater. This isn't my first visit to her and I love her apartment, it's done out in a very entertaining way. Nice lighting, plenty to drink if you want it and lots of choice. Nice big bed, lovely decor and nice relaxing music.

The Lady:

Jennifer is beautiful to look at. Slim and petite Thai girl, around mid twenties I'd say. Enhanced boobs and butt, both nicely done. I wasn't sure about her butt implants on my first visit to her, but after this visit I was impressed. She matches her photos perfectly. Basically looks like a real life sex doll!

The Story:

The experience was wonderful. I expected it to be as good, if not better than last time. She was dressed up as a nurse as I requested and she was a lot of fun in this role! Gave me a wonderful oily all over body massage, using her whole body. Does some great pussy rubbing on my cock so it virtually feels like I'm inside her. An amazing experience I really do have to say. Again with her boobs and her ass. She then hops off, gives the old chap a little wipe and proceeds to give me some of the best oral I've ever had in my life! She's slow and sensual and really seems to enjoy what she does. Unloaded here of course!

I didn't have a lot of energy left for another round, but she gave me a nice slow massage and rubbed me down all over, literally. This young Thai babe is well worth the money and I'd pay to see her every week if I could!
