The Lady:

Christine is absolutely beautiful, even better than her photos! Her body is perfect; youthful looks and curves in all the right places! She was always stunningly dressed, including smart casual for initial meeting, a nice dress for the evening out and a special request of mine for later. Christine has a wonderful personality - very friendly, accommodating and caring. She has a great sense of humour and is a good listener. She genuinely enjoyed our meet and is always keen to please, which is what makes her so special. Her GFE is unmatched.

The Story:

This was my third time meeting Christine, so she and I had been planning this for a while: we were very excited for the evening. All money transfers had been dealt with prior to the meeting so there was no need to worry about it, which was lovely for both of us!

We traveled over in my car from a pre-arranged meeting place, checked in and spent a few moments marveling at how nice the room was! After enjoying things for a little bit we went for a delicious dinner before returning to try out that hot tub!

When getting down to the naughty stuff, the specifics will remain between us but Christine is amazing; tactile, sensual and mind blowingly effective. She gives out such sexual confidence which really adds to the mood and experience - I even felt the confidence to try something I had previously had a bit of a complex about doing (due to a bad experience), and I think she appreciated the effort! Needless to say we both enjoyed the experience - and each other - very much!

The morning was just as lovely as the evening - had a lovely night's sleep, a slow rising, relaxed morning, with plenty of time to just enjoy each other, before dropping her off, very relaxed and happy.

Without sounding cliché - this was the best meet I have ever had. Christine is a very special young woman - she genuinely enjoyed our meet and appreciated the effort that had been put into it. I can not emphasize how good she made me feel, sexually and otherwise. Was worth every penny and effort to prepare, and I genuinely cannot wait to see her again. I shall be counting down the days!
