The Premises:

Location is in a quiet neighbourhood. Large block of flats. Slightly tricky to find the right entry door but good detailed description helps. Otherwise a clean, flat. I assume flat is used by other girls of the agency and the walls were a little thin. Otherwise a perfectly acceptable incall location. On road parking if required.

The Lady:

Kacey is absolutely beautiful!! I mean it. One incredibly beautiful woman with the best petite yet busty figure. One of the most attractive features were here beautiful brown eyes and she has the deepest, sweetest dimples I've ever seen. Wanted to tell jokes just to get her to smile at me!! As it happens the agency used fake pictures that weren't actually Kacey but luckily she was even more beautiful than the profile photos I saw. She's petite at just 4ft11" but is in perfect proportion. She absolutely looks her age and is a Caucasian British ethnicity. Simply not to be missed. I really wished that I could have seen her again during my trip as she was simply sensational. Agency weren't able to confirm her availability sadly despite saying she was available on the website. Would love to see her again. She has a couple of small tattoos in tasteful locations and funnily enough has my first two names tattooed on her foot. Seems like it was fate that we met! Lol!

The Story:

Experience with the agency was great during booking until I found out that they were using fake photos of their ladies. Luckily Kacey rescued them by being sweet, funny, sexy and professional. She's one of the most beautiful ladies I've ever spent time with. All services offered with a delightful smile and I couldn't have enjoyed my time more. I was only booked for 1 hour and had to extend just because she was that good. Want to see her again as soon as I am able.
