nice clean flat, smelled great, sexy atmosphere.

### The Lady:

I 've seen Caterina before. But it was birthday and before I met friends for dinner I thought I would treat myself and visit one of my favourite escort experiences again. I have only seen her once before but it was a great hour and as I was browsing through girls on the website she showed up and it took me a matter of seconds to grab the phone and book her.

Ok, so she has long blonde hair and small pert breasts. If you like bog floppy tits then she probably isn't for you. But if you like tall, beautiful, blonde. slim, pert girls then she could be for you. She is also a lovely person has a welcoming smile and a friendly demeanor.

### The Story:

I have only seen her once before and that was a while ago to be honest. I wasn't expecting her to remember me but I was hopeful. And... she didn't, which was a little disappointing but I get she is busy and I am not as memorable as I thought! However she did say she thought she remembered when i was naked but i think she was being nice haha.

as before her body when she undressed in front of me was amazing and she undressed me slowly and seductively and gave me a blowy both through my boxers and outside of them. Her enthusiasm and skill is rarely matched from the escorts i have met as is her personality.

we fucked in a few different positions and kissed freely with full tongues and she made my birthday experience both enjoyable and memorable.

Thank you.
