The Story:

Frankly, horrible. If you look back at the reviews to 2011, you'll see one of Nancy from Glasgow. I'm convinced the same woman has returned. I booked her through AW as the pictures were appealing and her feedback was resoundingly positive, based on 184 submissions. However, I'm now convinced it's a scam and that an old AW profile is being used as most of the older posts refer to Jasmine, who I believe was a different (and much nicer) Thai escort who used to work in Glasgow. The most recent feedback was over a year old, from May 2017.

I walk in, to be met with a miserable, unhappy looking girl completely incapable of smiling. Loud music was playing. Bad feeling right away. She asked for the money immediately (she suddenly spoke English) so I paid my £60. I was instructed to lie face down on the bed and she performed a massage which lasted almost 15 minutes. I was bored rigid. She finally gave me a slap on the legs meaning "turn around" and I did so. She kept leaving the bed to do various things and had now gone to get wipes, lube and a condom. I pride myself on hygiene but she seemed to spent ages wiping my cock down. Somehow I managed to maintain a stiff member throughout all of this, and I'm quite proud of myself for that. She put the condom on and sat on me, gyrating for a very short while before I came. I'm sure I would have lasted longer were my nerves not shredded by this experience. And absolutely zero chance of foreplay. Avoid at all costs, guys. There's nothing worse than leaving after an appointment feeling completely ripped off and miserable. I'm convinced this one's a scam merchant and AW will shortly remove the profile, I'll be seeing what I can do to help with that.
