The Premises:

Top notch flat about 15mins walk from new street station

Just off this main road called Great Charles Street Queensway then you have to go over this bridge to get to the other side of the main road the apartment block is not far away

Very quiet area and discreet

Nice big bedroom

Nice comfortable bed

Chest of draws with big mirror on it (Great view from the side of the bed fucking Suza in doggy)

Excellent shower facilities

The Lady:

Suza is a fucking beautiful girl from Thailand

Very slim petite girl i also noticed she is very hygienic

Suza is 25

She wore a sexy school girl uniform black shirt,check skirt and black stockings (Suza looked well sexy in it)

Her english aint brilliant but i did not have to use google translate

The Story:

I phoned Suza to make a booking with her i asked about her services and what uniforms she has she told me sexy school girl uniform i told yes wear that for me i got to the apartment block Suza buzzed me in i made my way to her flat knocked on the door and this really sexy Thai girl invited me in i asked about her outfit she said she would put it on when im in the shower i gave her the cash Suza does not charge for extra's everything in the price you pay. She asked me if i wanted a can of coke i said yes please she put her cash away and came back with my refreshment i took a shower and Suza put the school girl outfit on she asked me if she looked sexy when i had come out the shower i told she is fucking sexy.

We started DFK and she wanked my cock she got me well fucking rock hard i asked her to go on the bed and i licked her pussy out she fucking loved it i made her cum loads of times her pussy was soaking wet after about 30mins of eating her pussy out i wanted to fuck her real bad Suza got on her knees and sucked my cock OWO i put her hands on my waist and fucked her mouth she also licked my balls whilst she wanked me off she really knows how to tease a guys cock and balls i

begged Suza to let me fuck her she put the jonny on my throbbing cock.

She lay on her back i stood up fucking her at the bottom of the bed with her legs in the air she loved me pounding her i slid my arms under her legs and put my hands under her bum and asked Suza to put her arms round my neck i lifted her up and fucked her whilst i was holding her up in the air she told me i was strong i then started walking round the bedroom to show her how fucking strong i am she bounced up and down on my dick this was fun but fucking hard work we where DFK when i had her in this position i put her back on the bed gently and fucked her in all my favourite positions mish, spooned her, t-square and fucked her in doggy whilst watching myself hammering her really tight pussy the fucking sweat was pissing out of me i was soaking wet all over i did body building poses whilst i pounded her in that sexy school girl outfit she looked hot in that big mirror after giving Suza a complete brutal fucking i shot my load in her pussy.

I was totally fucked up i sat in front of the fan at the side of the bed i asked Suza if i can smoke she said yes and she asked me if i wanted a cigarette i told her no i prefer to roll my own fags she told me she keeps cigarettes in for clients i thought that was a nice touch on her part she went to get me an ashtray i noticed this other sexy Thai girl and heard this guy fucking the shit out of a girl in one of the bedrooms three girls work from this flat a great place to bang Thai girls me thinks.

Suza took her outfit off we did it all again eating her pussy out, fucked the shit out of her in all my favourite positions but i noticed Suza was tiring out i did slam her pussy really hard and i did eventually cum.

I took extra cash to do an extension if i was still up for it this weather is to bloody hot for me.

She wasn't up for anymore pounding she introduced me to this other girl the one who had just been fucked she was really sexy i told suza i would see her.

Suza is really sexy Thai girl loves being fucked but i fucked her to hard for to long

I highly recommend Suza she is so beautiful and really looks after clients a very special lady
