The Premises:

Top notch flat about 15mins walk from new street station just off Great Charles Street Queensway you have to go over a bridge to get to the other side of the main road the flat is not far away

Very Quiet area and discreet

Nice big bedroom with a big mirror on the chest of draws (A great view drilling Angie in doggy)

Nice big comfortable bed

Great shower facilities

The Lady:

Angie is one of the sexiest oriental girls i have ever seen she is fucking gorgeous a proper glamour babe

I think she is in her early 20s

She speaks pretty good english

She is a very naughty girl playfull and loves being fucked hard and fast (i met my match with this one)

She has very nice shapely boobs

The Story:

I was in the same flat and bedroom Angie came in the bedroom with fuck all on took a shower and washed her pussy she had just been fucked it was up to me to show her what a real sex machine is she came out the shower,dried herself came in the bedroom and started snogging my face off i gave Angie her cash she went out the bedroom for a couple of minutes to put her cash away and returned to the bedroom we went back to kissing i asked her to go on her back i licked her pussy out she kept telling me she liked my big arms and rubbed her hands all over my arms and shoulders she really made me feel really good telling me all this.She was crying out when i ate her pussy out this girl has a body built for sin she told me not to stop licking her pussy out she was enjoying it to much after about 20mins i had to stop my neck was killing me i gave her multiple orgasms i got up Angie told me she wanted to suck my cock she's very forward girl (no complaints from me) she got on her knees and sucked my cock OWO i held her hands and fucked her mouth this felt so fucking good she took all my cock in her mouth i was struggling not to cum i had to stop she put a jonny on my cock.

I told her to go on the bed on her back i fucked her in mish put her legs in the air and i sucked her

toes and kissed the soles of her feet its was brilliant this girl is a right nymph she loves being fucked after a while i took my cock out of her pussy and she moved down the bed i fucked her whilst i was standing up i had her legs in the air i slid my arms under her legs and my hands under her bum she put her arms round my neck i lifted her up she laughed and told me i was really strong started kissing me and she bounced up and down on my cock i could only do this for about 10mins i was struggling i put her back down on the bed and drilled her in loads of positions mish Angie told me she liked my big muscles and massaged my arms and shoulders i also fucked her in t-square, spooned her and pounded her in doggy Angie likes to watch herself being fucked in the mirror and she likes her ass being spanked aswel all through our fuck session she kept telling me i am a really good fuck i shot my load drilling her in doggy.

I licked her pussy out again we had a second round it took me ages to cum i could not shoot my load in doggy i finished in mish i asked sexy Angie to talk proper filth to help me cum she kept telling me to cum in her pussy and fuck her hard she wants my cum and she looked at me really sexy giving me total eye contact and i cum and it nearly killed me.

I took a shower, got dressed and sat on the side of the bed infront of the fan Angie asked me if i was ok i told her my shoulders and top of my back are aching she massaged my aching muscles, bless her.

I told Angie i would see her next week for 3hrs she said you want to fuck me for 3hrs i told her yes she replied back i look forward to it so if i never leave anymore reviews you will all know im brown bread lol this girl is a machine and loves non stop sex before i left we gave each other a kiss and a hug and i left totally shagged out.

I have always said the West Mids is the best place to fuck oriental girls

I highly recommend sexy Angie she loves her pussy being licked out and fucked

This is by far the best flat to fuck oriental babes some top notch Thai girls here i give this flat my highest recommendation
