### The Premises:

### The Lady:

Mantina is a 22 year old stunning Russian beauty with 34C boobs

### The Story:

When I walked into her apartment my eyes were immediately drawn to her big juicy boobs which is the main attraction when it comes to Mantina. She greeted me with a kiss and began to seduce me...this was a massive turn on. She wore all black with black stockings but I didn't really care about that I just wanted to get to the good bit and see her busty naked body. She began with a OWO which was good and then proceeded to stripping off and boy were her boobs lush. I sucked on her hard nipples for a bit and then went to bang her in the bathroom. Banging her from behind looking at us in the mirror at us was a highlight. We did that turned her over to get a better view of her boobs then into the bedroom. The sex overall was good. She is fit for purpose and if you are a boobs man I would definitely recommend Mantina.
