Nomeda is a 19 year old beautiful Eastern European girl with 34D tits and a great ass

The Story:

I had never had sex with a 19 year old before before and I thought I would give her a try (A kinda bucket list thing). My mate recommended her and so I was bored in my hotel room and decided to give her a call. She arrived in a red top and black leather pants that showed off her bum. We had a nice chat, she was actually really nice, then we got down to it. We kissed for a bit then she ripped off my jeans and started OWO as the standard. She was pretty good at it, nice and slow and sexual. I then got her completely naked and worked my magic on her first to get her ready for the main show lol. We did all the positions but reverse cowgirl and doggy were by far the best seeing her big juicy arse bounce around, she even brought lotion to oil it up. Nomeda was a good shag and a nice girl and would recommend.
